

UNDERGROUND TANK COVER

Our Underground Storage Tank (UST) cover is designed to protect owners and operators of UST's from the extensive costs of pollution and rehabilitation following an environmental incident.

Claims of this nature can easily exceed R1 million for an average-sized fuel station. In addition, the Department of Environmental Affairs may fine up to R10 million and/or 10 years in jail for non-compliance following an incident.

BENEFITS

- ✔ Our cover includes costs related to the clean-up and rehabilitation of contaminated areas arising from both gradual pollution and emergency spillages.
- ✔ Our policy includes discovery of loss (investigation if any irregularities occur) and 1st party loss (own property clean-up).
- ✔ Our policy includes discovery of loss and 1st party loss.
- ✔ Our policy meets the Department of Energy licence requirements for financial provision for rehabilitation.

COSTS

Please contact your broker to complete an application form, as premium varies due to the risk, volumes and age of tanks.

Premiums will be VAT inclusive.

This cover is a Centriq Insurance Company offering.
