

WHOLESALE SOLUTION

Envirosure offers a cover called Wholesale Solution. This cover is specifically designed for the insured who is not the owner of the vehicle being utilised to transport the dangerous goods they have purchased, nor the owner of the premises where the product is stored. The insured will not have custody of the dangerous goods product and will utilise specified contractors, which must be listed by company name and registration number of the vehicle.

This cover is exempt from our standard Compliance Assist and Drivers Solution benefits and side tank cover is excluded.

The insured is required to report every incident to the Envirosure call centre on 0860 44 44 11. Cover is for clean-up and rehabilitation only, as per the specified limits below.
