

# Dry Non-haz Solution

Cover for the clean-up of non-hazardous cargo (not UN Listed products) from vehicles listed in the schedule to an indemnity limit of R250 000 per incident with an excess of R25 000 payable. Cover only allows for clean-up costs as a result of a motor peril as per the Envirosure policy wording. Rehabilitation and restoration are specifically excluded. Side Tank cover indemnity limit, to a maximum of R50 000 per incident.

## Cover:

- Clean-up of non-hazardous, dry products only, from the load
- Side Tank Solution automatically forms part of this cover up to a maximum indemnity limit of R50 000 per incident (higher limits are available on request).
- Incident management
- Excess of R25 000 for each and every loss - this may be claimed back from the Debris Removal section of the GIT cover

## Conditions:

- Hazcall24 is Envirosure's 24-hour toll free call centre, which will immediately appoint authorised service providers and mobilise response units to the scene
- Hazcall24 Call Centre service – toll free number 0860 44 44 11 and cross border number +27 (0)60 440 2810
- Hazardous loads with a UN number are excluded from this cover
- The Hazcall24 Call Centre will be in charge of incident management throughout the clean-up process
- All drivers to be in possession of a valid driver's licence
- Drivers to be in possession of their own Professional Driving Permit (PrDP-G)
- The insured is required to contact the Hazcall24 Call Centre immediately in the event of a claim, to benefit from this cover
