

Riot & Strike Solution - Transport

Envirosure offers an extension to their Transport Clean-up policy, called Riot & Strike Solution. The Transport Clean-up policy will respond to a claim in the event of riots and strikes. Cover is limited to clean-up and rehabilitation of the environment only.

Cover:

- Environmental Impairment cover for spillages/releases into the environment as a direct result of:
 1. Riots
 2. Strikes
- Cover will include spillages from the load and vehicle's side tank including oil spills from vehicles, engines or hydraulic equipment fixed to the primary mover
- Hazcall24 is Envirosure's 24-hour toll free call centre, which will immediately appoint authorised service providers and mobilise response units to the scene
- The insured is required to contact the Hazcall24 Call Centre immediately in the event of a claim, to benefit from this cover
- Transport based risks are limited to R1 000 000 per incident

**Terms and conditions apply.*

This solution is underwritten by Centriq Insurance Company Limited, FSP No: 3417

Conditions:

- Territorial limits are the Republic of South Africa only
- Annual Aggregate limit of R2 500 000 per policyholder
- Hazcall24 is Envirosure's 24-hour toll free call centre, 0860 44 44 11, which will immediately authorise and mobilise response units to the incident scene
- The insured is required to contact the Hazcall24 Call Centre immediately in the event of a claim, to benefit from this cover
- The Hazcall24 Call Centre will be in charge of incident management throughout the clean-up process
- Please refer to our policy wording for the full cover definition and exclusions
