

Wholesale Solution

Envirosure offers a cover called Wholesale Solution. This cover is specifically designed for the insured who is not the owner of the vehicle being utilised to transport the dangerous goods they have purchased, nor the owner of the premises where the product is stored. The insured will not have custody of the dangerous goods product and will utilise specified contractors, which must be listed by company name and registration number of the vehicle.

The insured is required to contact the Hazcall24 Call Centre immediately in the event of a claim, to benefit from this cover.
