

Driver Solution

This is a value added benefit for certain Transport Clean-up policyholders. This gives the policyholder cover for all his drivers and co-drivers, when on shift or on duty with the insured.

The Sub-Contractor and Contingency Solutions are not offered as part of this benefit.

Conditions:

- Driver must be fit and meet all requirements to legally be able to drive
- Driver must be on duty/shift at the time of death
- Cover is limited to drivers in the employment of the policyholder whilst driving a vehicle listed on the policy schedule

- Cover includes accidental death
- Benefit will be paid to the policyholder, to distribute as they see fit, once the claim has been validated
- Client must have a valid policy with Envirosure, and only the policyholders are entitled to claim

Benefit:

- ✓ **Accidental Death - a maximum of R30 000 per incident**

This benefit is a Stalker Hutchinson Admiral (Pty) Ltd offering, FSP 2167, which is underwritten by Santam Ltd, FSP 3416
