

Harbour Solution

This cover is an extension to our current Transport Clean-up policy wording. It covers any spillages as a direct result of the loading/offloading activities from a vessel to the insured vehicle whilst in the harbour/port or the harbour's edge (quayside).

Cover will extend to clean-up costs only - liability is excluded in addition to the standard exclusions listed in the full policy wording.

The insured is required to contact the Hazcall24 Call Centre immediately in the event of a claim, to benefit from this cover.

Benefits:

OPTION 1:

Gives you cover for **R250 000** annual aggregate

OPTION 2:

Gives you cover for **R500 000** annual aggregate
